WAIVER: I hereby apply for acceptance as a competitor in the 2nd Annual Run to the Summit to be held on Saturday, June 1, 2013. In consideration of the privilege of competing, I voluntarily and knowingly execute this release with the express intention of fulfilling all obligations herein designated. I certify that I am physically qualified in all respects to participate in the event. I fully realize that my participation may entail certain risks of personal injury and, with this in mind, and in consideration thereof, do hereby agree on behalf of myself, my spouse, heirs, legal representatives and assigns to waive any demands, actions, judgments and executions for damages against Bozeman Summit School and all of its sponsors, officers, directors, and members of each of said organization, its respective employees and agents and any other entity or individual(s) who are in any way connected to this event or which is in any way related to this event, created by or arising out of my participation in this event. I specifically understand that none of the above nor any of the members shall in any way be obligated to inform me of any dangers with said event at said time and place, aside from the safety precautions already provided as I appreciate these risks and assume them by participation.

Signature: _____ Date: _____
Participants under 18 years of age must have waiver signed by parent or guardian.

Parent/Guardian: _____ Date: _____

Event is rain or shine and is a fundraiser for Bozeman Summit School & OI, therefore, NO REFUNDS—NON-TRANSFERABLE.

Refreshments:

At the finish line, Bozeman Summit School will host a Kids Fun Run at 10:00 a.m. followed by a no-host BBQ to honor BSS Alumni on the school's beautiful Natural Playground from 11:00 a.m.—1:00 p.m.

This will be a fun-filled day for all! The event is open to the public and all are welcome.

PRIZES

The first 100 participants will receive a 16 oz. water bottle.

Prizes will be awarded at the finish line for various categories.

Osteogenesis Imperfecta (OI) is a genetic bone disorder characterized by fragile bones that break easily. It is also known as "brittle bone disease." The term literally means "bone that is imperfectly made from the beginning of life." A person is born with this disorder and is affected throughout his or her lifetime.

Since 1970, the OI Foundation has doubled funding for research every five years, for a total investment of more than \$3.3 million. Funding is available for postdoctoral fellowships to encourage new investigators to begin a career in OI research, and seed grants for preliminary research. All applications are reviewed by the Foundation's Scientific Review Committee, which includes many preeminent OI researchers and clinicians. Funding also supports the OI Registry and the Linked Clinical Research Centers. The potential for results in OI research is growing, with recent advances in gene therapy, a new diagnostic test, and drug therapies under study.

The Community Outreach Committee of BSS's Parent Group Organization chose the OI Foundation as its focus for the 2012-2013 school year and has been raising awareness and funds. THANK YOU for supporting this cause.
